

**DATE:** August 5<sup>th</sup>, 2015  
**TO:** Landmarks Board  
**FROM:** James Hewat, Marcy Cameron  
**SUBJECT:** Update Memo

### **Landmarks Board Appointment**

Mike Schreiner has announced his resignation from the Landmarks Board. We will miss you and we appreciate the time and dedication you have given as a board member.

City Council will consider applicants for two positions (Design Professional and Member at Large) during their mid-year recruitment. Applications are accepted until Wednesday, September 2, interviews will be held Tuesday, September 8, and appointments will be made on Tuesday, September 15. Applicants may apply online at <http://documents.bouldercolorado.gov/forms/landmarksboard>.

### **747 12<sup>th</sup> Street – Landmark Designation**

On July 22, the city and property owners hosted a neighborhood meeting to present possible scenarios for the landmark designation and development of the property, including potential subdivision of the lot. Approximately 30 people attended. Staff will continue to work with the property owners and return to City Council in September. Update at meeting.

### **University Hill Commercial District Open House**

On July 15, staff co-hosted an open house at Buchanan's on the Hill to provide information on National Historic District Designation. Joe Saldibar, State Historic Preservation Tax Credit Guy, attended to provide information about state and federal historic preservation tax incentives. Staff will next submit a Determination of Eligibility for the district. Update at meeting.

### **Civic Area Open House – Bandshell**

On July 15, an Open House to share the results of the Design Inspiration Initiative to gather community input on aspect of the Civic Area, including the Glen Huntington Bandshell, 11<sup>th</sup> Street Spine Bridge, and Nature Play Areas. The results of an online survey and uploaded drawings/photos/sketches are available online: <https://bouldercolorado.gov/planning/boulder-civic-area-project>

### **Certified Local Government Grant – Historic Resource Survey Plan**

We have a signed contract with History Colorado for funding to hire a consultant to assist in the preparation of a Historic resource Survey Plan. Update at meeting.

### **Comprehensive Planning and Sustainability Calendar**

See attached.
